Limited Warranty

Viega PureFlow® for Manufactured Housing / Recreational Vehicles

THIS LIMITED WARRANTY REPLACES THE VIEGA PLASTIC SYSTEMS LIMITED WARRANTY.

Subject to the conditions and limitations in this Limited Warranty ("Warranty"), Viega LLC ("Viega") warrants to manufactured housing and recreational vehicle manufacturers in the United States who purchase and install in potable water distribution systems Viega PureFlow PEX cross-linked polyethylene tubing with a ManaBloc system or with polymer or metal crimp insert fittings manufactured and/or sold by Viega, that pipe, tubing, and other system components from Viega will be free from failure caused by a manufacturing defect for a period of 10 years as the of date of installation.

You have a right to a remedy under this Warranty only if the Viega Product failure resulted from a manufacturing defect in the Viega Product and occurred during the applicable warranty period. You do not have a remedy under this Warranty if the failure was caused by (1) components other than those manufactured and/or sold by Viega; (2) failure to design, install, inspect, test, or maintain the Viega Product in accordance with Viega's installation and product instructions in effect at the time of installation; (3) use of Viega Products under non-recommended system operating conditions (e.g., water pressures, temperatures, or other external chemical or physical conditions); (4) improper handling or protection of the Viega Product prior to, during, or after installation (e.g., inadequate freeze protection or exposure to environmental conditions not recommended for the application); (5) chemically corrosive or aggressive water conditions (e.g., unauthorized solvents or chemicals; antifreeze, rust inhibitor, or other treatment fluids); or (6) acts of nature, including, without limitation, earthquakes, fire, or weather damage.

For ManaBloc systems, the Warranty does not apply if (1) the ManaBloc manifold is disassembled or modified after leaving Viega; (2) the ManaBloc manifold is installed behind a permanent enclosure and is non-accessible through an access panel or other acceptable enclosure; or (3) components of or connections to the ManaBloc system are not Viega components or connections.

Viega warrants that lavatory and closet risers and riser accessories manufactured and/or sold by Viega shall be free from manufacturing defects for 2 years as of the date of installation.

Use of Oetiker clamps in a system does not void this Warranty, but any failure caused or contributed to by an Oetiker clamp is not covered by this Warranty.

In the event of a leak or other failure in the system, it is the responsibility of the end user to contract and pay for repairs. Only if the Warranty applies will Viega be responsible for reimbursement under this Warranty. The part or parts which you claim failed must be kept and returned to Viega for testing. Viega may be contacted at the phone number or mailing address below. All warranty claims must be made within 30 calendar days after the failure has (or should reasonably have) been discovered. You should be prepared to ship, at your expense, the Viega Product which you claim failed due to a manufacturing defect, with documentation of the installation date and the amount spent on any repair or replacement if performed by you. Within a reasonable time after receiving the Viega Product, Viega will investigate the cause of the failure, which includes the right to inspect the Viega Product at a Viega location and reasonable access to the site of any alleged damage. Viega will notify you in writing of the results of its review.

In the event that Viega determines that the failure or leak and any resulting damages were the result of a manufacturing defect in the products covered by this Warranty, Viega will reimburse the property owner for reasonable repair or replacement charges to include drywall, plastering, paint, or personal property damane resulting from the failure. VIEGA SHALL NOT BE LIABLE FOR CONSEQUENTIAL ECONOMIC LOSS DAMAGES UNDER ANY LEGAL THEORY AND WHETHER ASSERTED BY DIRECT ACTION, FOR CONTRIBUTION, INDEMNITY, OR OTHERWISE.

THIS WARRANTY IS IN LIEU OF ALL OTHER WARRANTIES, EXPRESS, OR IMPLIED, INCLUDING, WITHOUT LIMITATION, THE IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE Other than this Warranty, Viega does not authorize any person or firm to create for it any other obligation or liability in connection with its products. Manufactured housing manufacturers are authorized to provide this Warranty in connection with any warranty extended by them to owners of manufactured housing.

This Warranty gives you specific legal rights, and you also may have other rights which may vary from state to state. This Warranty shall be interpreted and applied under the law of the state in which the product is installed.
